

About Us

Wenzhou Tangwo Electric Technology Co., Ltd is an innovative and technological pioneering company in the smart home switch socket field. Brand TAWOIA owns a powerful industry chain that includes many excellent electrical manufacturers. Our main products include Normal Touch wall switch Sockets, Wi-Fi+Bluetooth Wall Switch Socket, Zigbee Remote control switches, Trailing edge dimming dimmer smart switches, Time delay switches, and normal push button switch sockets. Tawoia manufactures a complete line of affordable Wired and wireless home automation products, making safety, convenience, comfort, and economy available to virtually any homeowner.

In the world, As the demands for home automation continue to grow, Tawoia plans to stay at the forefront of the industry by providing innovative products and solutions. TAWOIA has extended its initial line of traditional wall switches and sockets to intelligent switches and sockets, and to smart home products.
